NOTE : This product is made from Brass Tube and Cast Brass and manufactured using the Traditional Sand Cast method. A Threaded Steel Bar is fitted to hold the product together.
 The items requiring a Lacquer protection are protected using the Electrochemically Lacquered process giving a very attractive long-lasting product.
 Traditional Hardware Direct will Guarantee the product against product failure due to manufacturing defects under normal usage for a period of 10 years from the date of purchase (for further information see our website).
 When cleaning the product, use a cloth soaked in warm soapy water and dry off using clean dry cloth – Do not use any chemical cleaners as this will harm the product and will break down the lacquer and tarnish the product.
 Due to the nature of the manufacturing process, a tolerance of + / - 5 % must be allowed on the weight and dimensions given on this product
